DRINKS

Having successfully operated for 25 years, we know how to rock a party. Our attractive, carefully curated drink selection, from local and international wines, bubbles, tap-beers, spirits or a creative cocktail offering will make your event beyond special.

The Rockpool events have exclusivity to bar operation due to holding the liquor license. Glassware and staffing are inclusive in the venue hire of the event space. A duty manager will oversee the event and beverage service and standard host responsibility rules will be applicable.

BOOKINGS CONFIRMATION

Upon confirmation of your event, we will send you our full T&C along with your non-refundable deposit invoice of \$300 (incl. GST). These are required to be completed and paid in order to confirm your booking.

BAR ACCOUNTS

There are a variety of options for bar accounts

Cash Bar

guests can pick and choose from our full beverage selection and pay individually

Bar Tab

as the organiser of the function/account holder, you can specify the range of beverages available on the bar and a limit can be established. Guests can then put drinks onto this account. Once this amount has been reached, our staff will notify you. You can add further funds to the account, or your guests can pay themselves.

Subsidised Tab

another option is to subsidise drinks. You can specify the amount you wish to pay per beverage. This will be charged to your account and the remaining value will be charged to your guest. Again, you can specify a limited range of drinks.
